

I am sending this comment to emphatically ask you not to allow the LPFM stations to take priority over the FM translators and thus displace important radio stations, such as AIR 1 (90.1). Air 1 radio station is an important part of our community and serves as a light to my family and others. Our family has lived in this community for 30 years. Air 1 gives our family the only alternative to other radio stations, which have programs that use expletives (curse words) and speak about sex graphically. I do not want my 10 or 4 year old to hear sayings such as "Rght F\_ \_ \_ing now!" (KCAL). The service provided by Air 1 is unmeasurable and is truly in the public interest. Kids can listen to contemporary rock/pop music that is not filled with the immoral content that others have (like KCAL, 96.7 referenced above). You would be doing a great disservice to our community to allow Air 1 to be displaced. Air 1 is the only music station my family listens to, please do not allow it to be displaced/taken off the air!! Thank you.
